City Commission Agenda Item Memo
Meeting Date: July 6, 2026

☒Consent Agenda
☐Regular Agenda

Item Title: Project No. 2304 – 32nd Ave & 5th St W (Pedestrian Improvements)

Requested Action/Staff Recommendation: Approve Plans and Specifications and Direct Advertisement for Bids

Presented By: Jerry Wallace, City Engineer

New Information: On May 18th, the Commission directed the preparation of plans and specifications for Project No. 2304. This work has been completed and if authorized, will proceed with advertising for bids in accordance with state bidding requirements.

Background & Project Summary: This project would be located at the intersection of 5th St W. and 32nd Ave W. and would consist of installing a pedestrian crossing on the west side of the intersection. Additional items include curb ramps, median modifications, and the installation of overhead push-button-activated RRFBs.

Events and concerts at The Lights have added an extremely popular amenity for West Fargo residents. However, the large volumes of pedestrian traffic generated during events have significantly increased the potential for pedestrian–vehicle conflicts.

On June 9, 2025, the West Fargo Police Department requested that the Engineering Department conduct a pedestrian crossing study at the intersections of 32nd Avenue W. with both 5th Street W. and 6th Street W. after observing several pedestrian-vehicle conflicts. Bolton & Menk completed the study on September 24, 2025. The primary recommendation from the study is the installation of a pedestrian crossing near 5th Street W. Initially, the analysis for this location recommended a pedestrian refuge using space freed by removing the eastbound-to-northbound left-turn lane.

Financial Analysis: A funding application was presented to the Commission on January 5, 2026, which sought Federal Transportation funding. Metro COG awarded $184,448 of 2026 Carbon Reduction Program (CRP) funding to this project on February 19, 2026.

2027 Construction Costs (Soft Costs Not Included)	
Total Estimated Project Costs	$349,700
Awarded CRP funding	$184,448
Remaining Local Share	$165,252

The local cost share is proposed to be paid through the Capital Improvement Sales Tax or the Economic Development Sales Tax. There are no proposed special assessments with this project.

Policy Analysis: The proposed configuration reflects a balanced approach between improving pedestrian crossing safety and maintaining existing traffic operations at a high-activity intersection.

Supporting Documents:

- Plan Cover Sheet, which represents the Plans and Specifications (Note: a full plan set is available at the Engineering Department)
- Associated Resolutions

Previously Presented Information & Commission Actions:

May 18, 2026-

- **Staff Recommendation:** Approve Engineer's Report and Direct Engineering to prepare Plans and Specifications
- **Commission Action:** Commissioner Olson moved and Commissioner Jorgensen seconded to approve. Commission President Dardis was absent and not voting. No opposition, motion carried.

March 16, 2026-

- **Staff Recommendation:** Create Project No. 2304 and Direct Engineer to prepare an Engineer's Report
- **Commission Action:** Commissioner Olson moved and Commissioner Anderson seconded to approve. No opposition, motion carried.

January 5, 2026-

- **Staff Recommendation:** Authorize Staff to Apply for Grant Funding
- **Commission Action:** Commissioner Olson moved and Commissioner Zundel seconded to approve. No opposition, motion carried.

Item Title: Ordinance 1281 – Discharge of Firearms or Dangerous Weapons, and Carrying Loaded Firearms in Vehicle

---

Presented By: Pete Nielsen, Chief of Police

Requested Action/Staff Recommendation: Approve First Reading to Adopt Discharge of Firearms Ordinance Amendment

---

Background & Project Summary:

In June, 2022 the United States Department of Agriculture (USDA), Animal, and Plant Health Inspection Service, Wildlife Service (APHIS-WS) requested the West Fargo Police Department seek authorization from the City Commission to allow discharging of firearm(s) within the city of West Fargo in conjunction with the USAD wildlife damage control program. The current City Ordinance allows for the City Commission to grant conditional use for such purpose. Conditional use was granted for the period of June 6, 2022 through December 31, 2022.

The USDA APHIS-WS is requesting an amendment to the existing ordinance. The proposed amendment would allow individuals lawfully participating in a wildlife management plan or program, approved by the City Commission, to discharge a firearm or dangerous weapon within the city limits. Agencies would be required to enter into a Memorandum of Agreement (MOA) with the City which would establish notification procedures to Red River Regional Dispatch Center (RRRDC) prior to the discharge of any firearm or dangerous weapon. RRRDC would then notify the West Fargo Police Department of the intended activity.

Amending section 12-0306 and 12-0308 would provide a framework for APHIS-WS and other approved agencies to carry out wildlife management activities while ensuring the City is notified of and informed about those activities.

Attached Supporting Documents:

- Amend and reenact sections12-0306 and 12-0308 of the revised ordinances relating to discharge of firearms or dangerous weapons and carrying loaded firearms in vehicle.
- Memorandum of Agreement – Wildlife Damage Management Within City Limits

Process/Timeline:

Anticipated second reading: July 20, 2026

ORDINANCE NO. 1281

AN ORDINANCE TO AMEND AND REENACT SECTIONS 12-0306 AND 12-0308 OF THE REVISED ORDINANCES OF 1990 OF THE CITY OF WEST FARGO RELATING TO DISCHARGE OF FIREARMS OR DANGEROUS WEAPONS, AND CARRYING LOADED FIREARMS IN VEHICLE.

BE IT ORDAINED BY THE BOARD OF CITY COMMISSIONERS OF THE CITY OF WEST FARGO, NORTH DAKOTA:

SECTION 1. Section 12-0306 of the Revised Ordinances of 1990 of the City of West Fargo, North Dakota, is hereby amended and reenacted to read as follows:

12-0306. DISCHARGE OF FIREARMS OR DANGEROUS WEAPONS.

1. Except as provided herein, it is unlawful for any person to discharge a firearm or dangerous weapon within the city limits. Violation of this section is a class B misdemeanor.

2. This section does not apply to the lawful discharge of firearms or dangerous weapons by 1) law enforcement officers, 2) persons at an indoor or outdoor target range licensed or permitted by conditional use by the City Commission, 3) indoor target competition, which competition has been approved by the Police Department, ~~or~~ 4) the lawful discharge by persons in defense of a person or property, or 5) persons lawfully participating in a management plan or program approved by the City Commission for the control of deer or other animals within the city limits.

SECTION 2. Section 12-0308 of the Revised Ordinances of 1990 of the City of West Fargo, North Dakota, is hereby amended and reenacted to read as follows:

12-0308. CARRYING LOADED FIREARMS IN VEHICLE.

1. An individual may not keep or carry a loaded firearm in or on any motor vehicle, including an off-highway vehicle or snowmobile. An individual violating this section is guilty of an infraction.

2. This prohibition does not apply to:

    a. A member of the armed forces of the United States or national guard, organized reserves, state defense forces, or state guard organizations while possessing the firearm issued to the member by the organization and while on official duty.

    b. A law enforcement officer, except while the officer is engaged in hunting or trapping activities with a rifle or shotgun.

c. An individual possessing a valid North Dakota concealed weapons license or a valid license issued by another state authorizing the individual to carry a firearm or dangerous weapon concealed if that state permits a holder of a valid North Dakota concealed weapons license to carry a firearm or dangerous weapon concealed in that state without obtaining a similar license from that state, except while that individual is in the field engaged in hunting or trapping activities.

d. An individual in the field engaged in lawful hunting or trapping of non-game species or furbearing animals.

e. A security guard or private investigator properly licensed to carry firearms.

f. An individual possessing a valid special permit issued pursuant to Section 20.1-02-05 of the North Dakota Century Code.

<u>g. An individual with a handgun who is not otherwise precluded from possessing a class 2 firearm and dangerous weapon license under Chapter 62.1-04 of the North Dakota Century Code and who possesses a valid driver's license or nondriver identification card issued by the Department of Transportation or by the individual's state or territory of residence.</u>

<u>h. An individual who possesses a rifle or shotgun, is not in the field hunting or trapping, and is not otherwise precluded from possessing a class 2 firearm and dangerous weapon license under Chapter 62.1-04 of the North Dakota Century Code and possesses a valid driver's license or nondriver identification card issued by the Department of Transportation or by the individual's state or territory of residence.</u>

<u>(NDCC 61.2-02-10)</u>

SECTION 3. Effective Date. This ordinance shall be in full force and effect from and after the date of its final passage and publication.

MEMORANDUM OF AGREEMENT –
WILDLIFE DAMAGE MANAGEMENT WITHIN CITY LIMITS

THIS MEMORANDUM OF AGREEMENT – WILDLIFE DAMAGE MANAGEMENT WITHIN CITY LIMITS (the "MOA") is entered into this _____ day of _______________, 2026 (the "Effective Date"), by and between the City of West Fargo, North Dakota, a North Dakota home rule city and municipal corporation (the "City"), and the United States Department of Agriculture, Animal and Plant Health Inspection Service, Wildlife Services ("APHIS-WS"). The City and APHIS-WS are, collectively, the "Parties."

RECITALS

WHEREAS, the City, as a North Dakota home rule city and municipal corporation, has the authority to regulate the discharge of firearms or dangerous weapons within the City limits through City ordinance; and

WHEREAS, City Ordinance Section 12-0306(a) provides that it is unlawful for any person to discharge a firearm or dangerous weapon within City limits unless an exception, as set forth in City Ordinance Section 12-0306(b), is met; and

WHEREAS, City Ordinance Section 12-0306(b), in part, provides an exception for "persons lawfully participating in a management plan or program approved by the City Commission for the control of deer or other animals within the city limits"; and

WHEREAS, APHIS-WS has statutory authority pursuant to 7 U.S.C. §§ 8351-8354 to conduct a program of wildlife management services involving mammal and bird species that are reservoirs for zoonotic diseases and involving animal species that are injurious and/or a nuisance to, among other things, agriculture, horticulture, forestry, animal husbandry, wildlife, and human health and safety (the "Wildlife Program").

WHEREAS, the City and APHIS-WS desire to enter into this MOA to allow APHIS-WS to discharge firearms or dangerous weapons within the City limits in carrying out its Wildlife Program.

NOW, THEREFORE, in consideration of the mutual covenants made in this MOA, and other good and valuable consideration, the receipt and sufficiency of which the Parties acknowledge, the City and APHIS-WS agree as follows:

AGREEMENT

1. **Wildlife Program**. The City finds that the Wildlife Program is a management plan or program for the control of deer or other animals that qualifies for an exception, pursuant to City Ordinance Section 12-0306(b)(5), for the discharge of firearms or dangerous weapons. Accordingly, the City authorizes that persons who are lawfully participating in the Wildlife

Program may discharge firearms or other dangerous weapons within the City limits for the purpose of carrying out the Wildlife Program, in APHIS-WS's discretion.

2. **Prior Notice**. Prior to discharging any firearm or dangerous weapon within City limits, APHIS-WS agrees to provide notice to the Red River Regional Dispatch Center ("RRRDC"), who, in turn, will notify the City's Police Department of the intended use.

3. **Other Approvals**. APHIS-WS agrees and acknowledges that it must obtain any and all other approvals or authorizations required by applicable law to carry out its Wildlife Program; the approval provided by this MOA is limited solely to APHIS-WS's discharge of firearms or other dangerous weapons within City limits for the Wildlife Program.

4. **Liability**. APHIS-WS agrees and acknowledges that it is fully responsible for its use and discharge of firearms and dangerous weapons within City limits and that this MOA shall not be construed to transfer any liability for such to the City as a result of the City's approval of the Wildlife Program under City Ordinance Section 12-0306(b)(5). Additionally, APHIS-WS will release, hold harmless, defend, and indemnify the City and the City's officers, agents, representatives, employees, consultants, or contractors from any and all liability, losses, damages, claims, demands, actions, judgments, and executions in any way arising out of or regarding APHIS-WS's use or discharge of firearms and dangerous weapons. APHIS-WS's duties to release, hold harmless, defend, and indemnify include, but are not limited to, any and all claims, damages, actions, causes of action, claims for relief for damages (compensatory, exemplary, or otherwise), costs, loss of services, expenses, or compensation for or on account of any damage, loss, or injury directly to the City or any of the City's officers, agents, representatives, employees, consultants, or contractors, and to claims, demands, actions, causes of action, or claims for relief for contribution or indemnity for injury alleged to any person or party, whether natural or not. Further, APHIS-WS will reimburse the City and the City's officers, agents, representatives, employees, consultants, and contractors for any costs or expenses, including reasonable attorneys' fees, expended or incurred in response to or in defense of any claim, demand, action, cause of action, or claim for relief made or asserted by any person or party, natural or not, arising out of or regarding APHIS-WS's obligations under this MOA.

5. **Term and Termination**. This Agreement will have an initial term of five (5) years from the Effective Date and will thereafter automatically renew for subsequent 5-year terms unless otherwise terminated as set forth herein. This Agreement will automatically terminate if APHIS-WS no longer operates the Wildlife Program or if a change in law invalidates this MOA. Additionally, the City retains the authority to terminate this MOA, with or without cause, by providing 30 days' prior written notice to the APHIS-WS State Director at 2110 Miriam Circle, Bismarck, North Dakota 58501. APHIS-WS's indemnification obligations will survive any termination.

6. **Attorney's Fees**. APHIS-WS will reimburse the City for attorney costs and fees incurred in drafting and negotiating this MOA.

7. **Assignment**. APHIS-WS may not assign its interest created by this MOA.

8. **Amendments**. This MOA, or any part thereof, may be amended, modified, or waived only by a written instrument duly executed by the Parties, specifying with particularity the nature and extent of such amendment, modification, or waiver.

9. **Waiver**. The failure or delay of any Party to insist on the performance of any of the terms of this MOA, or the waiver of any breach of any terms of this MOA, will not be construed as a waiver of those terms, and those terms will continue and remain in full force and effect as if no forbearance or waiver had occurred and will not affect the validity of this MOA or the right to enforce each and every term of this MOA.

10. **No Third Party Beneficiaries**. Nothing contained in this MOA is intended or will be construed as creating or conferring any right, benefit, or remedies upon, or creating any obligations of the Parties hereto toward, any person or entity not a Party to this MOA, except those rights expressly contained herein.

11. **Governing Law**. This MOA shall be governed by and construed in accordance with the laws of the State of North Dakota.

12. **Severability**. If any court of competent jurisdiction finds any provision or part of this MOA is invalid, illegal, or unenforceable, that portion will be deemed severed from this MOA, and all remaining terms and provisions of this MOA will remain binding and enforceable; provided, however, the Parties agree that this MOA will be reformed to replace any invalid, illegal, or unenforceable provision or portion of this MOA with an alternative provision that is enforceable and bears as close resemblance as possible to any provision determined to be invalid, illegal, or unenforceable.

13. **Execution Counterparts**. This MOA may be simultaneously executed in several counterparts, each of which will be an original and all of which will constitute but one and the same instrument.

14. **Headings**. The headings in this MOA are for convenience only and in no way define, limit, or describe the scope or intent of any provisions or sections of this MOA.

15. **Electronic Signatures**. The City and APHIS-WS agree that the electronic signature to this MOA shall be valid as an original signature of the City and APHIS-WS and shall be effective to bind the signatories of this MOA. For purposes hereof: (i) “electronic signature” means a manually signed original signature that is then transmitted by electronic means or an electronic acknowledgment which provides the Party the ability to validate and affix a digital signature that is then transmitted by electronic means; and (ii) “transmitted by electronic means” means sent in the form of a facsimile or sent via the internet as a portable document format (“pdf”), DocuSign, or other replicating image attached to an electronic mail or internet message.

City Commission Agenda Item Memo
Meeting Date: July 6, 2026

☐Consent Agenda
☒Regular Agenda

Item Title: Improvement District No. 3006 – Westwood Reconstruction

Requested Action/Staff Recommendation: Approve Asphalt Wear Course Change Order

Presented By: Jerry Wallace, City Engineer

New Information: The attached change order in the amount of $154,911.80 would authorize installation of the final asphalt wear course in the reconstructed Westwood neighborhood. Funding for this work would be provided through the Capital Improvements Sales Tax Fund, in line with what was originally proposed.

Background & Project Summary: During the design of the Westwood reconstruction project, City staff, in coordination with the Engineering and Public Works Departments and the consultant engineer, elected to defer installation of the final asphalt wear course. This approach was intended to allow the new utility infrastructure to experience an initial settlement period before placement of the final lift, reducing the likelihood that differential settlement would negatively impact the long-term ride quality of the streets.

Under our traditional reconstruction approach, the final wear course is installed during the paving component of work, with any settlement issues typically addressed years later through a mill and overlay project. As a result, residents can experience reduced ride quality for an extended period before corrective work is completed.

The original plan anticipated that Public Works crews would place the final asphalt wear course using City forces and equipment. However, due to pending litigation, that option is currently unavailable.

Following one freeze-thaw cycle, staff have gained valuable insight into the deferred wear course approach. Public Works identified operational challenges during winter snow removal caused by the temporary asphalt-to-curb elevation difference. In addition, several neighborhood residents contacted the City regarding water ponding along the temporary pavement lip.

The City's options moving forward include:

- Install the final wear course now under the existing construction contract, with the work covered by the project's warranty;
- Bid the work as a separate future asphalt project; or
- Delay installation pending the outcome of the ongoing litigation to determine whether Public Works crews can perform the work.

Based on the minimal settlement observed to date and the operational and resident concerns identified over the past year, the Engineering Department recommends proceeding with installation of the final asphalt wear course under the current construction contract.

Financial Analysis: The original project proposed waiting on the final asphalt wear course and not creating an additional assessment for this work by utilizing Capital Improvements Sales Tax funds. There would be no change from that intent, other than the timing of the installation.

Bold font indicates new items

JUSTIFICATION:

125 - 130 2026 Asphalt Wear Course: As indicated on the drawings, portions of the the asphalt pavement section in Westwood omitted a 1.5" asphalt wear course to plan for potential settlement and a future, separate asphalt overlay project. After the Work experienced a freeze/thaw cycle and negligible settlement, the owner decided to add the 1.5" asphalt wear course into the project to eliminate consequences associated with no wear course such as drainage and tripping hazard issues. These pay items are for preparing the existing pavement, transitions at intersections and tie ins, manhole casting and gate valve adjustments, and wear course paving. This includes correction work to damaged asphalt in North Elmwood Park per the attached proposal documents and the punch list.

Asphalt pavement shall be to design finished grades and slopes with the asphalt pavement being 1/4" to 1/2" above the curb and gutter lip and gate valve boxes and manhole castings.

Times Additional Contract Times for the 2026 Asphalt Wear Course and Pay Items 83 and 84 included as "Substantial Completion 2" and "Ready for Final Payment 2", with liquidated damages of $500 and $250, respectively.

Subject: RE: Westwood Wear Course
Attachments: West Wood Addition Reconstruct - CO#1 BSP.pdf

These are the incidentals that SBI requests:
5% Prime Markup
$3,500 for Traffic Control and Superintendent.

BSP's quote is attached (are you OK doing this by the ton?)

I'm working on quantifying the adjustments ($315 per MH & $210 per GV).

Timeline wise- I spoke with BSP after our meeting. I think it is unrealistic to have this completed next week.

Can we have a 10/2 top lift completion with the understanding that there is a possibility that we do this paving work in July/ August?

Or

Can we do a 9/4 completion was some leniency to request an additional month if for some reason BSP is unable to complete this?

Pavement marking wise- looks like these areas are already fully paved. We can hold off until the wear course is completed to avoid oil stains- or we can just do them now (I'm leaning this direction now the more I think about it). I'll leave that up to you.

Subject: RE: Westwood Deduct

This sender is trusted.

David,

Considering the change order request to pave all the 3006-Westwood project wear course, I think it would be best to just remove the sealant.
Please provide a change proposal of the price and times and let us know what you want to use for bid items.

Bid items that I can think of currently:

321216.00	Superpave FAA 43 - 1.5in Wear Course	SY
330130.86	Adjust Manhole Cover	EA
331419	Adjustment of Existing Valves	EA

Item Title: Proposed Organizational Appointments and Assignments

---

Presented By: Eric Gjerdevig, Mayor, and Dustin Scott, City Administrator

Requested Action: Approve appointments and assignments

Summary:

In accordance with the City's Governance Policy and applicable North Dakota law, the City Commission conducts organizational appointments and assignments following each municipal election. The attached list identifies the proposed appointments of positions, as well as assignments of portfolios and boards/committees for the upcoming (2-year) term.

The Mayor has developed the proposed appointments and assignments for the City Commission's consideration. The recommendations are intended to support effective governance, organizational continuity, and alignment with the City's Governance Policy while recognizing the Commission's authority to approve, modify, or reject the proposed appointments and assignments.

Item Title: Policy options regarding Economic Development Sales Tax Funds

---

Presented By: Eric Gjerdevig, Mayor, and Dustin Scott, City Administrator

Requested Action: Direct staff to develop policy options regarding the use of E.D.S.T. funds

---

Summary:

The City currently utilizes commercial economic development incentives as one of several tools to encourage investment and long-term economic growth. The City also maintains an Economic Development Sales Tax Fund dedicated to supporting economic development initiatives and activities.

Mayor Gjerdevig is requesting that the City Commission direct staff to develop policy options regarding the use of Economic Development Sales Tax revenues to support the General Fund in connection with qualifying economic development incentives.

Staff would return at a future meeting with policy alternatives, fiscal analysis, legal considerations, budget impacts, and implementation options for Commission consideration.

Item Title: Public Engagement Regarding Potential Future Data Centers

---

Presented By: Eric Gjerdevig, Mayor, and Dustin Scott, City Administrator

Requested Action: Direct staff to develop public engagement options regarding potential future data centers.

Summary:

Communities across the country have experienced increased interest in data center development, bringing both potential economic opportunities and community questions related to infrastructure, utilities, land use, and long-term planning.

Mayor Gjerdevig is requesting that the City Commission direct staff to evaluate options for public engagement regarding the potential future development of data centers in West Fargo.

Rather than waiting until a specific development proposal comes to the City, this approach would allow the Commission to be proactive by establishing a community-informed framework to help guide future consideration of potential data center development.

Staff would return at a future meeting with recommendations for a public engagement strategy, educational resources, and potential next steps for Commission consideration.
