West Fargo Fire Department invites public to input session for strategic plan

(West Fargo, N.D. – Aug. 2, 2022) - The West Fargo Fire Department is hosting a public stakeholder meeting at 11:30 a.m. Tuesday, Aug. 16, 2022. The purpose of this meeting is to gather community feedback on the department's functions and programs. This information will inform a new strategic plan that is built around the community. The meeting is in the Lt. Adam Gustafson East Training Room at West Fargo City Hall (800 4th Ave. E., West Fargo).

The West Fargo Fire Department is an all-hazards, combination fire department that responds to fires, rescues, hazmat and emergency and technical rescue calls and provide community risk reduction services. In 2021, the department responded to 2, 539 calls for service which is a 459% increase in five years.

During the meeting, attendees will learn about the department's strategic management and planning process. Then, they will have an opportunity to provide comments on

department priorities and areas of concern in the community that the department can help address.

END

About the West Fargo Fire Department

The West Fargo Fire Department serves the City of West Fargo on emergency and non-emergency calls. The department is an "all hazards" combination fire department, responding to fires, rescues, hazmat, inspections, Community Risk Reduction, emergency medical and technical rescue calls. "In a spirit of excellence, integrity and dedication, the West Fargo Fire Department is committed to serving the community, protecting lives and property through the provision of professional fire and emergency services, 24 hours a day."
